

We believe that a marriage is a sacred union of one committed man and one committed woman in which each one promises, in God's name, to build a loving, faithful relationship that will last a lifetime.

We believe that when a marriage is true to God's loving plan it brings spiritual, physical, and emotional benefits not only to a couple and family but also to the church and to the community.

We recognize our responsibility to help couples begin, build, and sustain better marriages and to restore those threatened by divorce. We call and seek the help of mission-minded couples, as volunteers, to help us bear that responsibility. Motivated by our common desire and mission objective that God's kingdom be manifested on earth as it is in heaven, we commit to being a service ministry toward this common goal using weekend seminars, retreats, and classes.

*two hearts,  
two souls,  
one love.*

*a feeling of  
knowing that  
someone  
is there  
to trust,  
to believe in,  
to comfort  
and care.*

*Love is a gift.*

*“Love embraces the whole of existence in each of its dimensions, including the dimension of time...*

*Love looks to the eternal.*

*Love is indeed ‘ecstasy’ not in the sense of a moment of intoxication, but rather as a journey, an ongoing exodus out of the closed inward-looking self towards its liberation through self-giving, and thus, towards authentic self-discovery and, indeed, the discovery of God. “*

*Pope Francis I*

## Marriage Encounter Weekend

*KFI-M.E. Ministry, Inc.*

**September 08-10, 2023**

**Spend the weekend together  
... with us.**

You are invited to spend with us a weekend that will enrich and re-energize your marriage.

Why not put the world's pressures on hold for a few days and focus on the most important person in your life ... your spouse?

In today's busy world, married couples are pulled in so many different directions. Couples face family, job, health, financial, and social pressures that consume time and energy and keep them separate. Often everything and everyone seem to take priority but our spouse.

Do you ever ask yourself – "When did we have the time for us?" Remember, God does not guarantee us tomorrow ... only TODAY!

Take the time you deserve to deepen your love and intimacy, bring more joy in your relationship and build a stronger marital foundation. Experience a weekend of

**marriage enrichment.**

- ❖ Make your marriage the best it can be.
- ❖ Enjoy time spent together.
- ❖ Renew the excitement and increase the romance in your relationship.

- ❖ Learn an intimate communication technique.
- ❖ Work through the joys and challenges of marriage.
- ❖ Discover how to live the sacrament of marriage.
- ❖ Invite God to be present in your marriage.
